Joint Action on European  
Health Workforce  
Planning and Forecasting

# Synthesis of the answers –

## 1. Who are you?

All the partners are involved – at different levels, with different tasks – in the planning or/and forecasting of Health Workforce.

You are:

- ▶ Government Institutions;
- ▶ University or research Institutes;
- ▶ European or International Associations or Organisations.

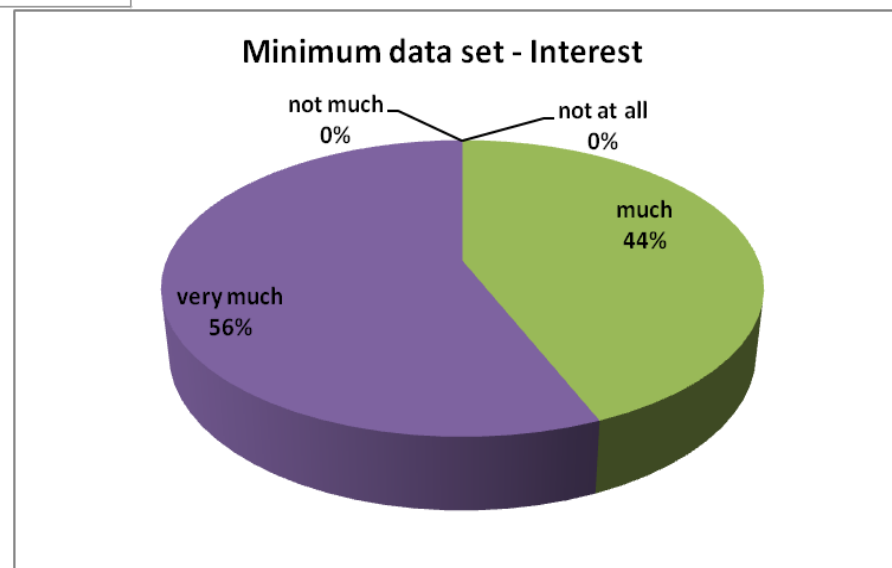

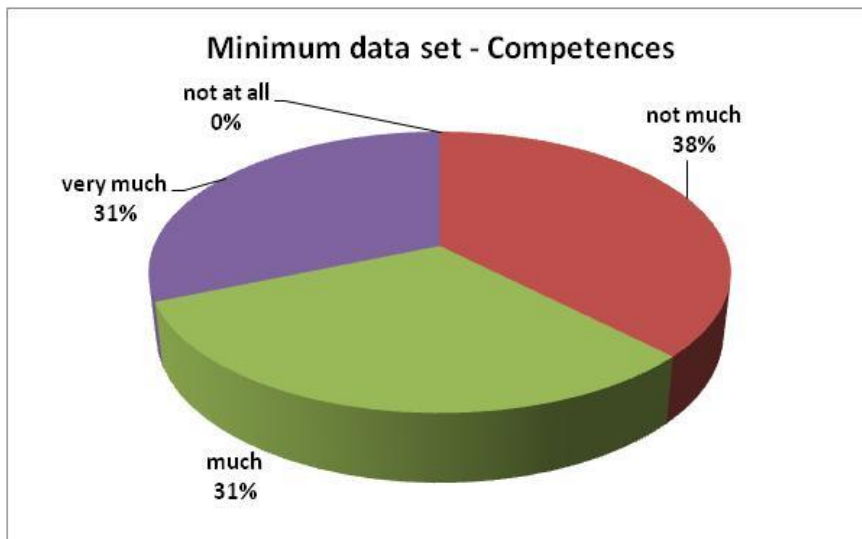

## 2. Expectations

- ▶ Individuate and exchange of good practices;
- ▶ Comparison among EU forecasting models;
- ▶ Comparison of the different methodologies in use in quantitative models;
- ▶ Increase competences in the area of planning;
- ▶ in general, for all participants, increase experience and skills in HW planning and forecasting methodology;
- ▶ Exchange experiences;
- ▶ Create a dialogue, a collaboration;
- ▶ Take part in this project.
