

Joint Action Health Workforce
Planning and Forecasting

Terminology Afternoon Session

Group discussion

Policy recommendations

WP4 Utrecht Workshop

6 March 2014

13.45. - 15.15.

Funded by
the Health Programme
of the European Union

Three parallel Sessions

Participation according to sign-up sheet

Group 1: Information flow/JQ purpose/utilization/
timeliness

Group 2: JQ categories/Qualification vs. Occupation-
based data/Headcount vs. FTE

Group 3: Professions/skills & competences/nurses

Goal of the Session

Develop recommendations:

Focus on the JQ – a dataset for monitoring

Keep it simple.

- National level - what countries should do for higher quality data
- OECD, Eurostat, WHO, EU-regulation
