

Mobility Session

Mobility session

10:10 Mobility Session **Part 1.**

Facilitated plenary discussion based on predefined topics

Objective: Exploration and exchange of information.

10:50 Coffee Break

11:10 Plenary feedback (priority) list of main issues

11:20 Mobility Session **Part 2.**

Discussion in small groups.

Objective:

Input and initial suggestions regarding potential policy recommendations at EU level based on the explored topics

12:40 Plenary feedback: list of suggestions as input on potential policy recommendations and lessons learnt from the sessions.

Discussion - questions & focuses

1. **WHY?** Follow up mobility - What is it for? Why to collect mobility data?
2. **WHAT?** HP Mobility – terminology issues- what are the definitions/ interpretations/ indicators? Do we have consensus?
3. **HOW?** What data are available, what data/info are the „minimals” to have a view on mobility (**minimum mobility information requirement**) at national & international level? How data can/ should be collected, main challenges, obstacles? How international flow of mobility data should be supported?

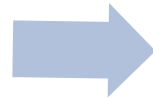

Purposes and Scope

- Have a better EU picture on HWF mobility information and its importance **in MSs' and participants' view**
- Exchange knowledge & experiences, best practices
- Monitor/ check capability, feasibility, reality
- Explore further HWF mobility and HWF planning relationship
- Identify „**most wanted**” **mobility issues** for
 - Further discussion (WP4 WSs 2014 June, October)
 - Minimum mobility information requirement (for what?)
 - Potential policy recommendations

Process-methodology; follow up, next step
