Livestreaming on our first workshop

In the framework of the Joint Tender “Support for the health workforce planning and forecasting expert network”, we organise a **workshop** entitled “Planning for Health Professions: how to act on skills needs” on the 6th and 7th of February 2018. We offer you the opportunity to follow the keynote speeches that are given through livestreaming. The livestream will commence on the 6th of February at 15:30PM Brussels Time.

Our keynote speakers are:

Akiko Maeda - OECD

Matt Edwards - UK Ministry of Health

Yves Brand - European Patients' Forum

If you are interested, please register through this [link](#) to receive a reminder and the link to the livestreaming channel on the day of the event.

Call for interest to receive tailored advice in health workforce planning has been opened

The “Support for the health workforce planning and forecasting expert network” Joint Tender published at the <http://healthworkforce.eu> website a “Call for interest” for EU Member States to receive tailored advice and guidance in health workforce planning. The aim of the activity is to sustain cross-country cooperation and provide support to Member States to increase their knowledge, improve their tools and succeed in achieving a higher effectiveness in health workforce planning processes and policy.

- Do you need improvements in your national/local health workforce planning?
- Are you committed to develop your health workforce planning capacity in your country?
- Would you like to have a tailored consultation from experts?

Express your interest for our support in health workforce planning improvements:
