Interim Newsletter
2019 January

Latest news from the “EU Health Workforce Network Update”

Dear Expert!

In the frame of the SEPEN Joint Tender, we pay particular attention to reach and regularly update experts involved in our Network in the field of health workforce planning and forecasting.

In this respect, our goal is to improve all communication tools we use when publishing news, activities, reports, events and the main achievements of our work.

Therefore, we would kindly ask you to help us in achieving the above described goal by dedicating some minutes to fill out our interim evaluation form.

We would greatly appreciate if you may rate the quality and quantity of the information we publish on our website, online forum and in our quarterly newsletter by filling out the evaluation form.

It only takes a few minutes and you can complete it at the latest by 17th February 2019.

Please, find the evaluation form which is available at the following link:
